Introduction

We live in an ever changing world. As the world changes so does Hebron High School. The fall of the '68-'69 school year brought to light several changes in physical facilities. All rooms in the High School building were painted and new light recepticals were installed in the science room. When students entered classes they discovered three rooms completely refurnished. Baseball fans also enjoyed new benches around the baseball diamond.

Changes weren't limited to physical features, as new faces and talent appeared on the faculty. Mr. Kent Myers provided new ideas as principal. Mr. Varda, Mr. Lord, Miss Standley, Miss Johnson, and Miss Moyer gave the faculty a new and younger look. Mrs. Graeber returned in Home Economics after several years absence and Mrs. Pullins returned after a one year break.

The seventh grade moved to the elementary building, giving us more room for the High School classes. Sociology and Foreign Relations were added to the curriculum. The school being short a shop teacher, Arts and Crafts was added to take up the slack.

The Seneca made changes trying to give better and more complete coverage of the school year. Although the seventh grade was schooled in the elementary building, they were included because they participate in Junior High activities covered in the Seneca. The '68-'69 Seneca is the largest yearbook published by Hebron High to date. Every major organization will have one or two pages devoted to its activities. Every High School sport will get two page coverage instead of the one page in previous books.

The Staff would like to thank Mrs. Ellenson for her assistance in getting the seventh graders correlated with the proper photograph. We would also like to extend a "thank you" to our advertisers. Some critics have complained that we had too much advertising last year. However, it is because of advertising we are able to publish the Seneca at a fairly low price. Funds received from advertising pay for forty percent of our total bill, but take only twenty percent of the pages.

The Staff

Dedication

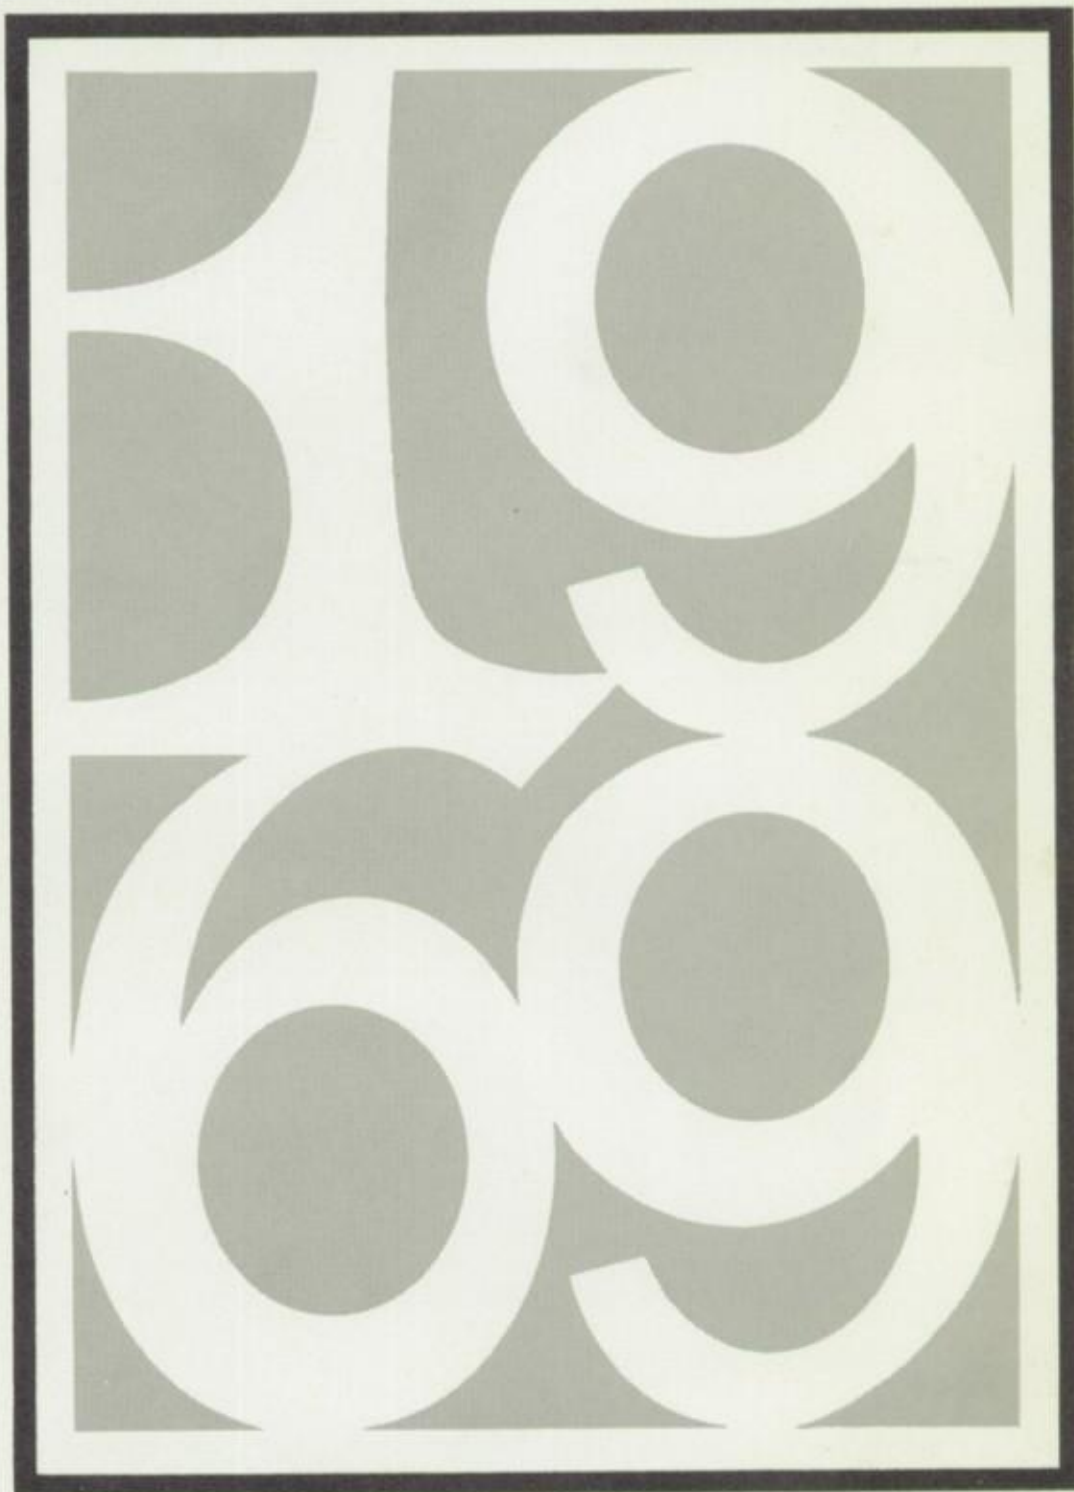

We, the Seniors of 1969, proudly dedicate this SENECA to Mr. Wayne Fry. For the past twenty-four years he has been a great custodian and friend. He has helped care for the school, as well as to improve the looks of the school. The dedication is a small expression of our thanks, however, we hope he appreciates this dedication.

We thank him for the years of service in our school and hope there are many more to come.

Prom Was Great!

The theme of last year's Junior-Senior Prom was "Dutch Polonaize." The theme was carried out by the use of decorations and by helpers wearing traditional Dutch Costumes. This thrilling occasion was a night to remember. Memories include: Linda Nethery and Gary McKinney, Queen and King of the 1968 Prom; Gary Hofferth, Connie Rosenbaum, Russ Werner, Barb Stalbaum, and Mitch Mullins--the Grand March; Sandi Larsen--Chairman for 1968 Prom--working hard; Lora Crowe and Jim Fickle enjoying the Prom music; and Julie Gesse.

Senior Trip Was a Blast!

Recorded on this page are highlights of our Senior Trip. We visited Washington and New York and enjoyed the night life greatly. We returned with many lasting memories. Some of the memories pictured here include: Janet Hallburg and Charlie Lundquist at the Statue of Liberty; President Kennedy's Grave, Arlington National Cemetery; The Lincoln Memorial; and Randy Werner, Dolores Haberlin, and Dick Thompson at the Iwo Jima Memorial.

The Senior Class presented "Rebel Without A Cause" on November 9. The play was about a rebellious group of teenagers. It was directed by Miss Margaret Johnson. The play was enjoyed by all who attended. The members of the play cast enjoyed putting themselves in the places of these rebelling teenagers.

The first two pictures are of the gang at the plantarium and of the "Chicken Run." And the next picture is the Brown family at dinner, and the last picture is Mr. & Mrs. Stark discussing their son and his problems.

Pep Band

With the patience and assistance of our director, Mr. Bunning, we were able to enjoy a very successful marching season. We started this year's activities with a marching routine at the annual LaCrosse festival followed by a performance in the United Fund parade at Valparaiso. After this performance, intensive practice began for our participation in the Valparaiso homecoming in which we received a first place rating in our division. A well-prepared winter program opened our concert season, which included two band shows arranged with the assistance of Dave Martin. We concluded our performances with the State Band Contest and a Spring Concert. Adding to our good reputation were the well-appreciated Pep Band performances at basketball games throughout the year.

The chorus was very busy this year. We prepared musical selections for a winter and spring concert. Our major project was the musical "Get Up and Go". This comedy featured a girls' school and a boys' school divided only by a hedge. Kim Gant was elected president of the chorus, Michele Smok served as librarian, and Sandi Larsen was again our accompanist.

Sandi Larsen, accompanist

Chorus

Although it was a difficult practice for the soprano section, Deloris seems to be enjoying it. The basses and tenors also seem to be working for perfection.

Safety Patrol

The Safety Patrol consists mostly of Junior High students, who willingly go out in the weather to guide the grade school children across the highway. The members are treated to a professional baseball game each spring. This is their only reward for serving the school with a remarkable record of 14 years without an accident involving a child under the supervision of the Safety Patrol.

The Junior High Band consists of seventh and eighth grade students. They participate in the Junior High Band Contests as well as the Spring and Winter concerts in hopes of becoming members of the High School Band.

Junior High Band

Student Council

The Student Council has been very active this year in an attempt to show its concern for the students. The council started its busy year by having a car wash to raise funds to be used for worthwhile library purchases. This effort was very successful despite adverse weather conditions. Other projects include a Thanksgiving program and a party after the Christmas program. We also sponsored another College Night which was intended to help all college bound students. Twelve colleges were represented this year including many of the more popular ones attended by Hebron graduates. Don Bales and Tim Smok attended this year's State Student Council Convention at Indianapolis and brought back several worthwhile ideas. Although the seventh grade was not included in this year's council, they were invited to attend the last few meetings in order to become familiar with the high school program and avoid making the changeover a difficult adjustment. Student body president Randy Werner is shown starting a convocation.

Booster

This year the Booster Club was composed of two sections: a boy's club and a girl's club. These students backed our team at track and cross country meets, and at the baseball and basketball games. The club worked very hard at preparing for the Porter County Tourney.

Vicky Singleton worked on the banner.

Club

The block featured cowboy hats and bandannas which centered on the theme "Hawks Round Up a Victory." This is probably the most important project of the club, and the block created a lot of spirit at all the games. Win or lose the Booster Club works very hard at cheering the Hawks on, no matter what the sport.

Bang-Bang the Hawks shot 'em down! (Jackson, Liberty, Boone Grove)

National Honor Society

The National Honor Society, sponsored by Mrs. Franzman and Mr. Myers, had a membership of twenty-two. The Society started the year by having a coat check at the Fireman's Ball, followed up by a collection for Biafra. During the second semester, the members tutored eighth grade students, introduced the seventh grade students to high school life and had the sophomores who will be in the Society next year sit in on meetings. As a parting gesture the members of the Society ordered gold tassels for senior members to wear at graduation.

In the accompanying photos Lorraine Schuster accepts the president's gavel and Gary Pierce lights the candle of leadership during initiation ceremonies.

Hawker Staff

Mrs. Gwin, sponsor, and her two able editors, Jerry Dye and Dick Thompson, directed the publication of the HAWKER. Putting out a HAWKER on time wasn't always easy or always done. The Hawker staff usually took about one week to publish after the news was gathered. Then it was enjoyed by both faculty and students. News events ranged from sports, club activities, and special convocations to the ever popular gossip column.

F H A

In the fall, under the guidance of Mrs. Graeber, we sold Christmas stars to finance a shopping trip to Chicago. And, as a community project, we baked Christmas Cookies and gave them to the elderly people of the town.

In the spring the Future Homemakers of America sponsored a flash and clash day, red and white day, and a courtesy day for the enjoyment of the High School. Kim Black, Mary Jo Sweney and Mike Singleton should have all received awards for their originality.

Science Club

The Science Club was sponsored again by Mr. Rutherford. In addition to the regular meetings films were shown and special reports given by its members. The Science Club has its science fair each year to interest students and the public in the everchanging ages of science. They also presented a Magic Show to the student body which turned out to be very interesting and humorous.

Magician Gary Pierce is shown performing some "black" Magic while Mary Balczo serves as a conductor for a fluorescent light demonstration.

German Klub

German Klub, sponsored by Frau Nelson, is composed of the first and second year classes. The members enjoyed German luncheons once a month featuring German deserts, German films, and several trips to German culture centers. These excursions were enlightening for all.

El Club de Españoles

El Club de Españoles is sponsored by La Señora Franzman and has approximately 15 members. The Club was introduced to Spanish culture by having get-togethers in order to have real Spanish foods and see Spanish Culture films. These excursions were enjoyed by all members.

G.A.A.

This year our G.A.A. volleyball team participated in a Round-Robin meet with teams from Griffith, Hammond Gavit, and Portage High School which was held one Saturday in December at Portage High School.

Mrs. Peregrine, President Deloris Patrick, and Vice-President Rochelle Norris attended a leadership conference last fall. They participated in sports events, and discussed money making projects and club activities.

Twice a month the members meet to play volleyball and various other sports at their playnights.

G.A.A. Chorus Line!

A little volleyball "action!"

Bonnie Rosenbaum and Kathy Pitts seem shocked at the Freshmen attire!

The Betty Crocker Homemaker Test is given each year to all Senior girls. The girl receiving the highest rating is the recipient of the award. The winner this year was Dolores Haberlin. Good luck, Dolores.

H O N O R S

The D.A.R. Good Citizen Award is given to the Senior girl possessing qualities in leadership, service, dependability, and patriotism. This year the award went to Nancy Osburn. Congratulations, Nancy!

Boys' State delegates attend Hoosier Boys' State for one week during the summer at Indiana University at Bloomington. During this time, the boys learn about the state government, its officers, its legislative processes, and its politics. This year's Boys' Staters were Mitch Mullins and Dick Thompson.

Girls' State delegates are chosen each year by the faculty on the basis of academic standing, citizenship, and an active interest in government. The girls learn much about the government and gain a better knowledge and respect for their nation. This year's Girls' Staters were Janet Hallberg and Kim Gant.

Seneca Staff

This year's SENECA contains ninety-six action packed pages. The staff worked very hard to finish this year's book on time. We sold ads, photographed various school activities, had a few laughs, and hopefully typed the pages correctly. We really enjoyed putting the SENECA together and we hope you enjoy it.

Pat Sheetz, Jerry Dye, and Connie Rosenbaum are typing "perfect pages" while Mitch Mullins, editor, and assistant editor Lorraine Schuster proof read a finished copy.

ATHLETICS

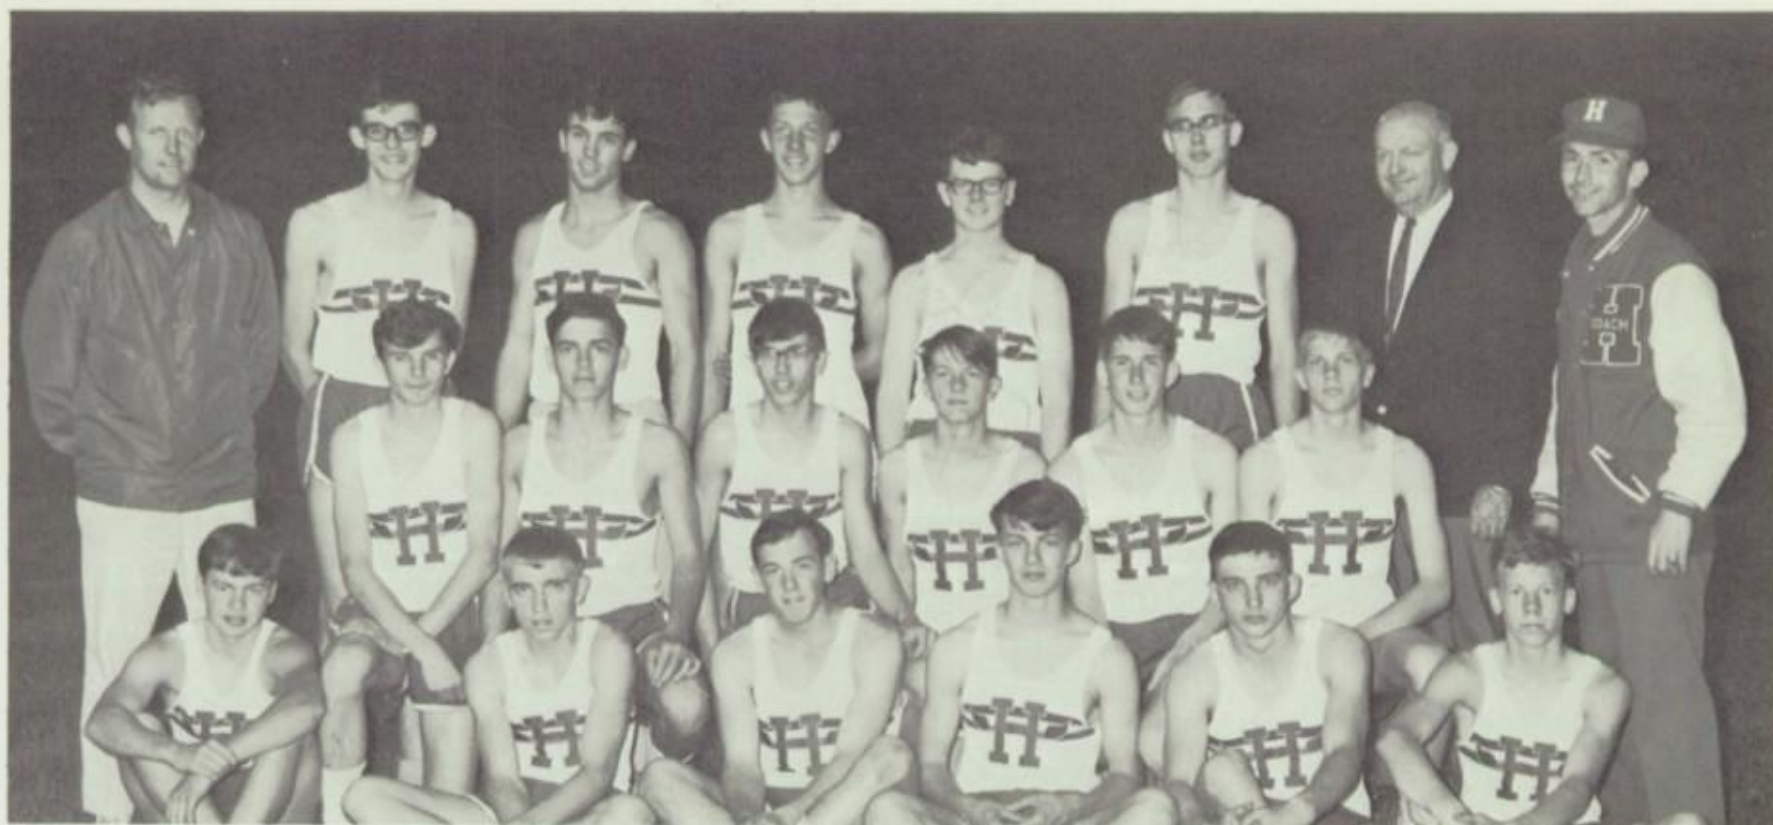

Track

The Hawks 1967-68 season was one of the roughest ever. They finished with a 10--9 record which included several important conference victories. Hebron won the Hebron Relays by defeating the five other schools in their division. Special recognition should be given to our County Track Meet Champs and especially to those members and relay teams who went on to participate in the Sectional.

Pictured on these pages are highlights of the Porter County Track Meet: David Martin high jumping; Mike Hofferth--throwing the shot; Tom Gross--battling for the lead; Dennis Watson gliding and Rusty Pawlak stretching over the hurdles; and Larry Ragland giving that extra push over.

* Low score wins

The Hebron Baseball Team proved to be one of the top teams in the county by losing only one game.

Bob Riggs and Russ Pawlak were both very successful in the pitching department. Riggs 5--1 with an E.R.A. of 1.03, Pawlak 1--0 with a 1.06 E.R.A. Riggs, Bales, and Pawlak led in the batting department in that order.

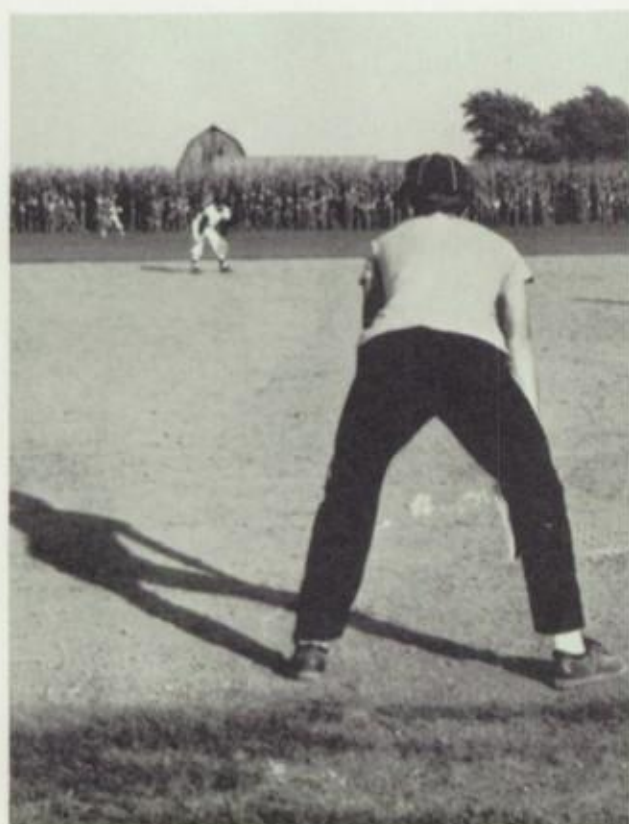

Depicted are Rusty Pawlak, Gary Pierce, and Don

Bales, Hawk members of the P.C.C. All-Conference team. The small square object is first base, what the team kept tripping over. Who say's coaching is easy? Here is Mr. Lord trying to give the Hawks last minute instructions. "This is a ball boys!" And here comes Alvin Lilley on his way to a landing at first base. Finally, Mr. Lord coaching the end of a successful season.

To the left Gary Scroggins is showing his teammates a new dance or something. Below, Gary is playing a game of keep-away and Russ Pawlak is trying to out jump the opponent. Not pictured but deserving recognition are the managers, Butch Klemz and Kim Kinne.

Under the coaching of Paul Schroeder, the Hebron varsity basket-ball team did very well this year. The Hawks tried really hard to live up to their name. During the basketball season the Hawks had many exciting games; long to be remembered was the Liberty game in the Porter County Tourney. After a hard fight the Hawks got the "Keg" back and this enabled us to play in the final game and win the tourney. Later in the year the Hawks lost the "Keg" to Boone Grove. With that defeat Hebron was forced to share the Conference Championship with Boone Grove and Liberty. The Hawks bowed to Crown Point in the sectional to end the season with a 17--7 record.

Junior Varsity

The Junior Varsity finished the season with a 10--8 record. Defeats included cliff-hangers with Remington by two points and a loss to Boone Grove by one in the South County J.V. Tourney. The young Hawks squeaked by Wheatfield by one point early in the season. The winning season points to even more success in future years for the Hebron Hawks.

The Junior High basketball boys coached under Coach J. Varda had a season of 10--2. There were only two overtime games in which the Jr. High Hawks won both.

These boys have worked very hard practicing, running stairs, and shooting free throws.

This team seems to be shaping up into a very promising future varsity.

This year's varsity and junior varsity cheering squads again attended camp during the summer. They brought home a few new cheers and techniques. A symbolic spirit stick was made and awarded to the deserving class during each pep session. The first presentation was made to the Senior Class. Each cheerleader did a fine job generating spirit and enthusiasm in the teams and fans.

The Junior High Baseball team finished their season with a very enviable record. The team had much to be proud of with their flawless record of seven wins, no losses. The team's pitching was lead by Pat Murphy who accomplished four of those seven wins and Kenny Pawlak who pitched a no hitter. Under coach Varda's direction the team had an excellent year. Mike Broughton was the leading batter for the HAWKS with a .563 average.

Greatness

A man is as great as the dreams he dreams,
As great as the love he bears,
As great as the values he redeems,
And the happiness he shares.

A man is as great as the thoughts he thinks,
As the worth he has attained,
As the fountains at which his spirit drinks,
And the insight he has gained.

As man is as great as the truth he speaks,
As great as the help he gives,
As great as the destiny he seeks,
As great as the life he lives.
